TO KEEP THE GREEN **ALWAYS GREEN**
EVOLUTION of ARTIFICIAL GRASS

ARTIFICIAL GRASS FOR GOLF

THE PERFECT SUBSTITUTE FOR NATURAL GRASS

HIGHLY **DURABLE**

Durable and highly resistant to damage, especially suited for driving ranges and greens.

LOW **MAINTENANCE**

Low maintenance, no watering, no mowing, no weeding, no seeding.

AUTHENTIC **SUBSTITUTE**

Indistinguishable from natural grass, easily placed in areas where natural grass can't grow.

NEVER ENDING **EXPERIENCE**

No matter which day of the year you will always have a green lawn, extending the golf season.
